About

In-person workshop | Université Libre de Bruxelles (ULB), Brussels|

Saturday 21 September 2024

With meet and greet on Friday 20 September and social event on Sunday 22 September

EULETA's membership is made up of many people working in different capacities in legal English, for example: lawyers, linguists, translators, legal English trainers for professionals, and legal English university professors. This workshop, co-organised by Université Libre de Bruxelles (ULB) and EULETA, aims to bring our diverse members together to share and find new practical ways of combining our expertise to improve our legal English teaching.

Presentations must be related to the teaching of legal English. Topics may also include legal linguistics, legal drafting, legal translation, and interpretation. Presenters should provide participants with a tangible takeaway to implement in their teaching practices.

Workshop sessions will be 45 minutes in length: 35 minutes for presentations + 10 minutes for Q and A.
